Subject: **Cops were shot, and “tell the police the revolution has started.”**

In Las Vegas, police were shot dead. This is a tragedy. Whether this incident is the result of just crazy people doing crazy things, or because of some design. I cannot say for sure, at this point. However, further investigation will reveal the truth, as it always has.

My suspicion is that this has two very important signs of an agenda:

1. Divide and Conquer
2. Mind Control

Mind control, because it controls the minds of police everywhere. Divide and Conquer, because that is what the “elite” have been wanting to do. To instill fear into the hearts of police, so they think they have been at war with anyone who is a patriot.

#### **MIND CONTROL:**

It is real. They can capture a person, and make them do anything, including killing themselves. It is documented fact. This, to me, is probably what happened with these suspects. They were told what to do, and what to say.

Find out more by going to the “mind control” section of the above website.

#### **POST 9/11 WORLD:**

This expression is used repeatedly in **DHS** propaganda, and repeated by cops too often. For clarity, what it means is a **POST HOAX WORLD**.

The hoax was perpetrated for two main reasons. One, to create an excuse to take freedom from the American People. Two, to justify wars.

It was so clearly a hoax, that at this point in history less than half of the American public believe it anymore. All over the world, even less than that believe it.

Just look at the **science**, in connection with the two buildings that were hit by 2 airplanes. If you look at what the thousands of architects and engineers have signed their names to, you must know it was a hoax - **ARCHITECTS AND ENGINEERS FOR 9/11 TRUTH**

What was presented to the public on September 11, 2001 was ludicrous. The buildings did come down. The planes did hit the buildings, but the idea that one had anything to do with the other is ridiculous. That the jet fuel, or the impact, did this is absolutely impossible.
