Subject: **Sandy Hook**

There are 2 important terms used in Law Enforcement:

Method of Operation  
Motive

Sun Tzu said, “Know thy enemy and know thy self.”

The enemy is the “bad guys.” There are the good guys, and the bad guys. Law enforcement are the “good guys,” and criminals are the “bad guys.”

Criminals break the law, and good folks, along with Law Enforcement, keep the law.

Sandy Hook, according to **NEW WORLD ORDER** Modus Operandj, was a way to promote gun confiscation. This method of operation was employed in other countries, using school shootings (real or imagined), in accordance with the **WORLD agenda** (motive) of gaining, and keeping, “a monopoly of force.” That is, the **NEW WORLD ORDER** was to maintain control, worldwide. That is not “conspiracy theory” it’s documented fact. See UN documents.

The US is the most heavily armed nation in the world – by the population. People kept their 2<sup>nd</sup> amendment rights, and the **NEW WORLD ORDER** wants them taken from them

Since a major so-called reason for gun control was Sandy Hook, it is important that we act like “good cops” who are very thorough in their examination of a case. We cannot just watch something on TV and call it fact. Even if those children died from a mass shooter, that would still not be a good excuse for increased gun control. Shootings could happen, no matter what laws were passed.

Jim Fetzer wrote **NOBODY DIED AT SANDY HOOK**. The book is on the website, above. It’s in the video section, along with a documentary video that shows exactly how **NOBODY DIED AT SANDY HOOK**. If you are a “good cop” you will do what a detective does, and find out if they are correct.

**Both the book and video have been censored in popular places of the internet.**
