Subject: Exercises in Colorado during Summer – part 2 – **JADE HELM**

Please disregard what I wrote about **CSPOA** and **OATHKEEPERS** in my March 20, 2015 fax.

This is the data you need:

A leaked 2012 US Army Military Police training manual, entitled “Civil Disturbance Operations,” described how soldiers would be ordered to confiscate firearms and kill American “dissidents.” The manual also revealed that prisoners would be detained in temporary internment camps and “re-educated” to gain a new appreciation of “U.S. policies,” in accordance with **U.S. Army FM 3-19.40 Internment/Resettlement Operations**.

Since the 20th, a huge controversy erupted with **FOX** and other mainstream media, over the alternative media exposure of **JADE HELM**.

Fact is, martial law scenarios have been carefully planned and rehearsed for a long time on **US** soil – designed for the **AMERICAN PEOPLE**.. It is obvious that there are plans for **CAMPS** to be utilized for internment of **INNOCENT US** Citizens. So-called “laws” have been written to enable this. Video of practicing martial law scenarios in mainstream media, and government documents, prove this. You will see many videos, and other **VERIFIABLE** written information in the above 2 news reports.

REX 84 In a video of congressman Jack Brooks asking questions about martial law, shows these plans go back at least to the year 1984.

So, the entire picture must be examined by any good cop, such as yourself. You can see proof that there is a **NEW WORLD ORDER** that controls the US Federal government, and what their world wide agenda is all about.

So, being a good cop, if a group of people wanted to come into Huerfano County, wouldn't you want to check their background? Wouldn't you want to know what they had been up to previously? Wouldn't you want to know what documents they have produced, describing certain types of exercises? Wouldn't you want to know what types of drills they conducted over the past decades? And, most important, wouldn't you want to know who **REALLY** controls them?

You do serve the people of Huerfano County, and our **US** constitution, don't you?

I know your average soldier, just like your average cop, is a good guy. The higher ranking military who would probably not go along with **ILLEGAL ORDERS** have been purged from the military, in huge numbers recently
