Subject: Ebola part 4 – Bill Gates

When people hear the name, *Bill Gates*, what do many think his mission is? Most just know he's a rich man, who started Microsoft.

Well, the evidence shows he's caused problems in the world. October 5, **VACTRUTH** reported that *India Holds Bill Gates Accountable For His Vaccine Crimes* “As Bill Gates faces a lawsuit for the illegal testing of tribal children in India, it appears that his crimes against humanity have finally caught up with him. “

And, this concerns you as Sheriff, because vaccinations have proven to be very dangerous. Recent developments show the probability that forced vaccinations are planned in the US.

The **CDC** owns “the” patent on Ebola and all future strains. That means Ebola was **CREATED**. It did not start naturally. Bill Gates is donating \$50 million to the **UN** and the **CDC** in the name of fighting Ebola

From **THE COMMON SENSE SHOW** www.thecommonsenseshow.com :

“When an unsuspecting public is finally told of the existence of an Ebola vaccine, the Global Fund will be in charge of the distribution of the vaccine. Interestingly, Bill Gates has donated a total of \$560 million dollars to the Global Fund.”

A video, at www.tv.naturalnews.com is titled:

Bill Gates Wants Depopulation Through Vaccines and Health Care

You can see and hear Bill Gates, himself, say, "The world today has 6.8 billion people... that's headed up to about 9 billion. Now if we do a really great job on new vaccines, health care, reproductive health services, we could lower that by perhaps 10 or 15 percent."
