Subject: Cattle Ranchers in this area – Cliven Bundy in **NEVADA**

News just in regarding the motive behind **BLM** cattle stealing on the Cliven Bundy Ranch. It has to do with a corrupt deal with the Chinese, and Sen. Harry Reid. It is about plans to set up a solar power farm in the area where Cliven Bundy's ranch is.

You will find that late, breaking, news at [www.infowars.com](http://www.infowars.com)

## **Breaking: Sen. Harry Reid Behind BLM Land Grab of Bundy Ranch**

I have been talking to cattle ranchers here. Apparently the same type of paperwork is in process here, as existed in **NEVADA**. There has been no outward sign of a **PHYSICAL** takeover of rights here, but the same propaganda, and phony legal, climate is brewing here.

Remember the move of Sheriff DeMeo in **NEVADA**, as he protected the rights of a rancher there. A video regarding this is on the WAC site.

The mainstream media, for the most part, has been putting out disinformation regarding the events in **NEVADA**. Please look to my facebook page for the latest.

Please pass this on, via fax, to other sheriffs.
